

Appendix

The following ordinances and resolutions are no longer of general interest, primarily because their provisions were carried out directly after their enactment. Since they are mainly of historical or administrative interest, it has not been considered necessary to include their entire text. Instead, they are arranged in groups, according to subject matter, and within each group listed by title in chronological order. The content of the ordinances and resolutions is indexed, in all necessary detail, in the general index at the end of this volume. The annual budget and tax ordinances have been listed only in the "Table to Disposition of Ordinances." Any person who desires to read the full text of any of the ordinances or resolutions may do so by consulting the original Ordinance Books on file in the Township offices.

The enactments included in this Appendix are grouped under the following headings:

- A Adjustments to Township Boundaries
- B Debt and Bond Issues
- C Franchises and Services
- D Governmental and Intergovernmental Affairs
- E Plan Approval
